T. E. Mabry Middle School is helping all students develop the world class skills and life and career characteristics of the Profile of a South Carolina Graduate by continuing to provide a quality, student-centered education. As a South Carolina School to Watch, named in 2011 and re-designated in 2014, we continue to host visitors from other schools throughout the state. As the 2011 Exemplary Reading Award School and as a School to Watch, we continue to participate in the SC Middle School Association and SC International Reading Association by serving as presenters at the annual conferences in Myrtle Beach, SC. Mabry had nine students named Junior Scholars and four students that have been accepted into the Scholars Academy. We had three students invited to participate in the Spartanburg County Early College High School Program. We again had a 100% passage rate on the Algebra I EOC with 74% of our students earning a perfect score. We continue to have a successful Junior Beta Club with over 150 students actively involved. Our dynamic guidance program implemented classroom guidance and workshops with a focus on the Profile of a South Carolina Graduate that culminated in all eighth graders making a post-graduation declaration at our closing Awards Day program. Our athletic teams had a great year, with record numbers of students participating. Our Performing Arts programs continued to excel receiving all "Superior" and "Excellent" ratings in all concerts and competitions. Our Drama class performed at the end of each semester. We are very grateful to the Athletic Booster Club and SIC for the support each group provided throughout the year. Our goals continue to be the academic success of all students and to ensure they are college and career ready. We look forward to the challenges that each year will bring. Marsha Clark, Principal Jeanne Alverson, SIC Chair
